**Roger Saunders Joins Provencher & Company  
As Senior Account Manager/Executive General Adjuster**

Hammond, LA – November 15, 2016 – Provencher & Company, LLC is pleased to announce that Roger Saunders of Peoria, Arizona has joined the firm in the position of Senior Account Manager/Executive General Adjuster. In his new position, Roger will serve as a primary Client contact within the firm, and will also be responsible for supervising the work of Field Adjusters, ensuring delivery of specific Client Protocols. Roger brings some 30 years' experience providing professional insurance claims service over diverse categories of losses, while consistently maintaining an excellent performance record and reputation.

“We are extremely pleased that Roger has joined our team. We are fortunate our firm has enjoyed continued success through expansion of our service offering, and I can confidently state that Roger brings a great deal of energy, enthusiasm, and expertise to our clients and our firm. We are delighted Roger has accepted this new challenge, and we anticipate many enhancements to new and existing relationships with our valued and prospective clients”, said Jerry Provencher, CEO and Executive General Adjuster.

Roger has long served as a Senior Multi-Line Claims Adjuster, bringing to successful resolution claims in diverse areas. His broad experience in claims management includes catastrophe claims ranging from hurricanes, to sinkholes, to hazardous material cleanup. Roger has supervised claims resolution in the Personal and Commercial Property, Transportation, Liability, Casualty, Construction Defect, and numerous other insurance claims fields. He has supervised the work of Attorneys, Experts and other professionals through litigation, mediation, and trial attendance.

Provencher & Company is a nationwide provider of property and liability claims solutions and independent expert services. We support innovative, comprehensive claims solutions to the specific needs of our clients who include: insurance companies; brokers; MGAs; wholesalers; E&S markets; reinsurance companies; Lloyd's; and law firms. Provencher & Company has built and maintains a national catastrophe claims center in Hammond, Louisiana.
