**Jodi T. Venable joins Provencher & Company, LLC as  
Case Manager, Business Interruption**

Hammond, LA – March 13, 2017– Provencher & Company, LLC is pleased to announce that Jodi T. Venable of Mandeville, LA has joined the company as a Case Manager in the firm’s Forensic Accounting and CPA Expert Services Unit. Jodi brings many years’ experience delivering top-notch professional services to several insurance related industries, accepting increasingly responsible roles and maintaining an excellent performance record and reputation over that time.

“We are extremely pleased Jodi has joined our organization. She brings a variety of skills, demonstrated abilities, and dedication to her position. Jodi has shown her ability to successfully fulfill multiple responsibilities in a number of administrative settings, and I can confidently state that Jodi brings a great deal of enthusiasm and service commitment to our clients and our firm. We are delighted to welcome her to our team, and we anticipate many enhancements to new and existing relationships with our valued and prospective clients”, said Jerry Provencher, CEO and Executive General Adjuster, adding “Jodi shares our core values”.

Jodi’s service includes roles as an Office Manager in a medical/dental office setting, where she coordinated patient care, scheduling, and insurance claims processing. She has fulfilled the roles of Safety Coordinator, HR, and Office Manager in technical engineering and forensic engineering firms. She has held responsibility for A/R, A/P, vendor relations, and payroll. Jodi has earned a Secret Security clearance in her DOD experience with Site Sustainment for the USMC. Her experience includes service in the oil/gas industry, where she supervised multiple departments and employees. She has documented ALE, Business Loss of Use, and performed desk file reviews.
