

Forensic Accountants & Consultants

Looking behind the numbers

As an integral part of your team, Provencher & Company LLC's forensic accounting division serves the insurance and legal community by providing practical and cost-effective accounting solutions.

Services that add up

From basic to complex losses, our team of accountants, auditors, fraud examiners, valuation analysts and investigators deliver objective and practical information.

In-depth knowledge of insurance industry practices and financial issues assist our clients by assessing economic losses and establishing verifiable damage calculations leading to timely equitable claims resolutions.

Professional Services

Forensic Accounting/CPA

Success Stories

- ▶ Expert Witness
- ▶ Subrogation
- ▶ Verification
- ▶ Consulting Services

Experience that counts

Founded in thorough and unbiased analysis of financial information, we present objective reports supported by exacting schedules and compelling illustrations.

Staff members have provided claims analysis for more than 30 years and possess extensive experience in providing expert testimony in state and federal courts. We help clients interpret and understand the complex information required to make decisions.

We deliver the ability to look beyond the numbers and uncover the real answer.
