

SUBROGATION

A Nationwide Provider of Claims Solutions

Subrogation is critical to the claims industry. Identifying subrogation opportunities and investigating them thoroughly are imperative to recovering claims dollars, reducing the total cost of risk, and delivering improved loss ratios.

Each Client is assigned an Account Manager to ensure compliance with specific protocols.

The professionals at Provencher & Company, LLC work with your Subrogation team, identifying opportunities and thoroughly investigating claims. Together we successfully produce faster cycle times and higher recovery dollars.

WHAT WE DO

- Improve subrogation cycle times to your advantage
- Find valuable subrogation claims that otherwise might go undetected
- Keep your claims adjusters focused on what they do best—handling claims
- Negotiate and defend your position by employing experts utilizing proven processes
- Reduce average first party indemnity payment
- Increase net recovery leading to improved loss ratios

HOW WE DO IT

- Centralize all your subrogation demands and possibilities in one location
- Review every incoming assignment for subrogation potential
- Utilize our experienced Subro Adjusters and Forensic Accounting unit
- Tap into our network of Subro Attorneys across the country if needed

Provencher & Company, LLC is here to help you. Our team of Subro Adjusters and Forensic Accountants are among the finest in the industry when it comes to determining liability, exploring subrogation, and verifying damages.
